**MEDICAL ILLNESS POLICY**

One of the advantages of boarding your pets at CVS is that veterinary attention is readily available. If your pet becomes ill, we will contact the emergency number above regarding their symptoms, treatment options and an estimate of additional costs. However, if no one can be reached please indicate below what treatment you would like to have done to relieve immediate discomfort or to resolve a serious medical condition.

Please perform whatever services; Dr. Winter deems necessary for the best care of my pet, until someone can be contacted. This includes the necessary diagnostics as well as non-elective treatments.

I authorize up to  \$100  \$200  other: \_\_\_\_\_ in medical care until someone can be reached.  
 Do not administer any medical treatment until specific authorization is given.
